

WORLD HEALTH INNOVATION FORUM 2025 AGENDA

DAY 1, December 11, 2025
IGNITE: Engineering the Next Era of Global Health

Time	Ampere	Omega	Celcius	Tesla
09.00-10:30	Arrival and Registrations Venue(KCC)			
10.30-11.30	Opening Ceremony: The MedTech Mandate: Charting the 2030 Innovation Odyssey Venue (Ampere) Speakers: Dr Jitendra Sharma, Dr Nico Schittekae, Dr Ravi Rammaurthi, Dr Louise Agersnap			
11:30-11:45	Conversations over Croissant			
11.45-12.15	Global MedTech Expo Inauguration Venue (Expo City)			
	Ampere	Omega	Celcius	Tesla
	1	2	3	4
12.15-13.15	 International Finance Corporation WORLD BANK GROUP Creating Markets, Creating Opportunities Funding and Scaling Health Innovations in LMICS	Inception - multilayered systems shaping intelligent networks	Interstellar - exploring new frontiers in science & materials	The Social Network - mastering influence through communication
13:15 - 14.30	LUNCH/Innovation Expo Tour/Campus Tour			
	5	6	7	8
14.30 – 15.45	Indiana Jones - global corridors connecting diverse worlds	 KIBOR INSTITUTE OF HEALTH TECHNOLOGY WHO Collaborating Centre Health Innovation Master Class on the WHO Guidance and Toolkit on Scaling Innovation	Limitless - unlocking enhanced human and tech potential	 WORLD TRADE CENTER AMTZ Unlocking Opportunities for Small & Medium Businesses Through Finance
15.45-16.00	Dr. Bisimwa Bienfait - DRC	Callie Anne Mataczynski - USA	Lassana Gueye - Senegal	Sokhna khadidiatou Diaw - Senegal
16.00-16.15	POSTER PRESENTATIONS/FELLOWS PRESENTATIONS			
	Conversations over Croissant			
	9	10	11	12
16:15 – 17:30	 Smart Materials and Electroflexibles	The Theory of Everything - evidence shaping holistic understanding	Mandela - Excellence driving global progress	The Prestige - mastery, innovation, and transformative breakthroughs
17:30-17:45	Hirut Suraphel - Tanzania	Dr. M landhvi - India	Dijbrine Bichara - Chad	Sidy Niass - Senegal
	POSTER PRESENTATIONS/FELLOWS PRESENTATIONS			
	13	14	15	16
17.45 – 18:45	Arrival - connecting complex systems into unified pathways	The Founder - building enduring platforms for leadership	 ISPOR ISPOR's PE Guidelines Workshop	Minority Report - predictive intelligence improving access
Innovation Deal Room ongoing all day				
DAY 2, December 12, 2025 TRANSFORM: Designing Systems That Scale				
Time	Ampere	Omega	Celcius	Tesla
9.30-10.30	Day 2: Opening Plenary Venue: Ampere Speakers: Dr Amit Chamka, Dr Akhtar Badhshah, Mr. Yuryon Kobayashi, Prof Teun Jerak			
10:30-10.45	Conversations over Croissant			
	17	18	19	20
10:45-11:30	 UNIVERSITY OF CAPE TOWN YUNIBESITHI YASEKAPA - UNIVERSITEIT VAN KAAPSTAD Capability-Driven Design in Global Health Innovation	 Confederation of Indian Industry CII medtech quality leadership empowering people process and purpose in medtech era	The Matrix - transforming insight into intelligent technologies	 BENCH TO BEDSIDE ETHICALLY: Reimagining Devices, Delivery & Decision-Making
10.30-11:45	Cheelo Dimuna- Zambia		Abdoulaye kane - Senegal	Biresaw Tazaye Lake - Ethiopia
	POSTER PRESENTATIONS/FELLOWS PRESENTATIONS			
11.45-13.00	Venue: Ampere Plenary Speakers: Ms Louise Agersnap, Dr Kenneth Palmer, Dr Chantal (ISPOR), Dr Ashoo Grover			
13.00-14.00	LUNCH/Innovation Expo Tour/Campus Tour			
	21	22	23	24
14.00-14.45	 Open source software for Robotics development	 Confederation of Indian Industry Integrating digital technologies for quality transformation in MedTech Industries	The Pursuit of Happiness - resilience driving equitable access	State Consultative Workshop

	25	26	27	28
14.45-15.30	 The Future Works If We Design It: Principles for Meaningful Health Innovation	The Imitation Game - precision frameworks enabling scale	Inside Out - harmonising diverse elements for better outcomes	State Consultative Workshop
15.30-16.15	 Innovation & Collaboration in Health Technology	Gladiator - strength and determination shaping systems	 Precision and Performance: A Deep Dive with Ortho's Experts	Forrest Gump - long-term commitment yielding broad impact
16.15-17.00	The Revenant - resilience in challenging environments	 Make in India (MII) Hospital and the future of Indegeniousing Hospital Care	Beyond the Bedside: Hybrid Intelligence Driving the Next Era of Treatment	 CSR & Philanthropy for Inclusive Health and Wellbeing
17.00-17.15	Marco Andreoli - Italy	Dr. Pape Matar Kandji - Senegal	Khadija machano kombo - Tnzania	Amina njeri karnen - Kenya
Gala Dinner 19:30 Onwards				
DAY 3, December 13, 2025 SUSTAIN:Building Resilience Through Collaboration				
Time	Ampere	Omega	Celcius	Tesla
10:00-11:00	Day 3: Opening Plenary Venue: Ampere, Speakers: Hon'ble Shri JP Nadda Ji, Dr Jitendra Sharma, Surgeon Vice Admiral Arti Sarin (DGAFMS), Mr. Suresh Vazirani, Dr Rajiv Nath			
11.00-11.15	Conversations over Croissant			
11.15-12.15	Hidden Figures - ethical brilliance shaping innovation	Avatar - coexistence, balance and environmental futures	 Innovations in Assistive Technology	 Skilled Hands, Safe Outcomes, Science & Expertise in CSSD
12.15-12.30	Abdulrahaman Hussaini - Nigeria	Dr. Rohith Jampani - India	Michel Sarr - Senegal	Abdulhamid Abdullatif - Nigeria
POSTER PRESENTATIONS/FELLOWS PRESENTATIONS				
12.30-13.30	The Big Short - understanding finance to unlock innovation	 Medtech Devices, Quality as a Gateway for Global Markets	Everything Everywhere All at Once - navigating complex global systems	 Skilled Hands, Safe Outcomes, Science & Expertise in CSSD
13.30-14.15	LUNCH/ Innovation Expo Tour/ Campus Tour			
14.15-15.15	 Future of Global Trade: Strategic Opportunities for Emerging Economies Through WTC Networks	Rush - precision, speed and disciplined technique	 Challenges and Opportunities in Medical Device Trade in the Indo-European Union Corridor	Open Panel
15.15-15:30	POSTER PRESENTATIONS/FELLOWS PRESENTATIONS			
15:30-16:00	Conversations over Croissant			
16:00	MedTech Olympics Winners Announcements			
16:30-17:00	Closing Keynote Address Venue: Ampere			
Innovation Deal Room ongoing all day
